O.k., maybe I'm sorry,  
but I had to. This whole idea  
is just taking way too long.

I really still feel like we  
should meet around the 13<sup>th</sup>-20<sup>th</sup>  
of July. Do ~~you~~ want to make  
a letter and send it to me?

You can choose the place & have  
Fibees & Cops there to screen me.

(I would prob. need it to be  
somewhere in Silicon valley)
